The Charity

OUR CHARITY

DeafCare was established under the direction of Signs Church, an independent church that ministers to spiritual needs of the deaf minority.

DeafCare focus on ministering to physical needs to alleviate the poverty and helplessness encountered by the deaf.

OUR RATIONALES

God through Jesus Christ our Lord commands us to love our neighbour. Our neighbours include the poor, fatherless and the helpless.

Today, the gap between rich and poor is getting wider at a frightening fast rate. More members of deaf community are recipients of government due to modernisation and inadequate education in the past.

Structurally, deaf poor are at the bottom of the pecking order and are fast becoming the forgotten people.

Deafness is an invisible disability and the loss of hearing impacts greatly on the quality of life for a great majority of deaf people.

Public perception of deafness is low compared to other disabilities hence there is less willingness to donate or offer assistance.

The definition, 'deaf' refer to broad categories of hearing loss, not limited to members of deaf minority group commonly called the Deaf Community.

OUR MISSIONS

- Organise the direct relief of poverty, disability, helplessness and co-dependency for deaf recipients by whatever means necessary.
- Advocate for any other services, free of charge, to alleviate the effects of poverty or helplessness.
- Educate, train, empower and facilitate programs to prevent the effects of poverty, helplessness and co-dependency.
- Provide specific volunteering services for aged, immobile and isolated clients.

OUR RECIPIENTS

- Any deaf people and people with hearing impairment who meets the poverty criteria.
- The aged deaf.
- Immobile and isolated deaf.
